

# Mathematics

at Harford Christian School

“Pure mathematics is, in its way, the poetry of logical ideas.”  
Albert Einstein

“Let all things be done decently and in order,” says Paul in I Corinthians. Like Scripture, math yields clarity that brings order to the complexities of life. Thus, it is high on the academic list at Harford Christian School.

Beginning in the early grades, students learn basic problem solving and analytical skills, using curriculum from Bob Jones University. That paced introduction sparks interest that leads to achieving the goals of ordered thinking, reasoning, and personal creativity. Consequently, good math skills tend to spill over into other areas, resulting in well-rounded thinking.

## Course Descriptions

- College Prep
  - Pre-Algebra, Algebra I, and Algebra II
  - Geometry
  - Honors Pre-Calculus
  - Honors Calculus (college level)
  - Math prep for SAT
  - Economics
- Business Track
  - Accounting I and Accounting II
  - Consumer Finance

## Special Opportunities

- Maryland Association of Christian Schools (MACS) Academic Testing Competition
- Peer tutoring

*Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth.*

II Timothy 2:15
