

Athletics have always been a part of our rich heritage at Harford Christian School. Team sports are a means to an end with the highest priority for HCS being the development of Christian character.

It is more important than ever for HCS to use the best available equipment to enhance our athletic programs. Below are just some of the investments we have made from the funds raised through this annual event.

New soccer goals

Outfield fencing

Gym Air Conditioning Installation

Basketball scoreboard

This year's funds will feed the athletic general budget operating expenses.
