VISION21 TOGETHER

Why VISION 21 TOGETHER

Vision 21 is a vision for the 21st Century to provide new facilities for Harford Christian School. Enrollment has exploded, and construction of a classroom building is urgent!

Together, With God as Our Provider

Since 1966 Harford Christian School has provided the highest quality Christian education with a biblical worldview, *free* from secular influences, to thousands of students.

**Now he that planteth and
he that watereth are one:
and every man shall receive
his own reward according
to his own labour.
For we are labourers
together with God: ye are
God's husbandry, ye are
God's building.**

1 Corinthians 3:8-10

Today, we are officially presenting our vision for the 21st century, Vision 21 Together, to meet the need of reaching many more students who will go on to serve God, their families and their communities with dignity and integrity in the 21st century. Now, new facilities are needed. Enrollment has exploded, and construction of a classroom building is urgent!

Necessary site preparations are complete and have been paid in full. Preliminary projected costs are between \$6 and \$7 million. Architects are now working, and so must we. How will this be accomplished?

It will be accomplished by God's supply through His people! One of God's names is Jehovah-Jireh. It means the Lord will provide.

With a mere word or thought, God can place a finished building on this site. But the One who created everything out of nothing is pleased to grant His people the privilege of participation with Him. He can do it without us, but He chooses to do it through us. Privilege indeed!

(continues next page)

When God provided manna in the wilderness, it did not come as a chef-prepared cuisine. Rather, every day each family had to go out and gather what God had given, then prepare their meals with it. Without their labor they would have starved.

The analogy is true to our circumstances. Funding is available to construct this building. But we must go out and get it. So we're asking for your help. You ask,

"What can I do?"

How

1

PRAY. Pray that God will provide.

Pray individually. Pray as a family. Meet with a friend, a group of friends, and pray for God to supply. Meet often. Schedule weekly times for prayer with believing friends. God hears and answers the prayers of His people. He provides.

2

Help enlarge our network of friends.

Connect us with friends who share our values, our goals and our commitment to a biblical worldview. Tell them about Vision 21 and enlist them in prayer and participation.

3

We're looking for 300 people who will pledge to find \$10,000 apiece for this building.

That will be \$3 million. With what is now in hand, this will take us to the half-way mark. By then, there'll be even more incentive to finish the job. Then we'll work on the second half.

Surely we each know people who share our values and want to advance them. We need you to invite those people to join our cause. Ask them to help with a generous gift to support what they believe. You may know someone who could easily write a \$10,000 check, or much larger. Ask them to help. Some can find 10 people who'll give \$1 thousand each, others less, others more. Some of you will be able to find more than \$10K, perhaps much more. The old saying, "Many hands make light work," applies here.

VISION 21 TOGETHER QUARTERLY REPORTS

To help you, we plan to produce *Vision 21 Together*, a quarterly progress report on what we're doing. You can share this information with those whom you contact.

Vision 21 Together will make clear the need for the building, report construction progress and funding progress. These newsletters will include brief reports regarding HCS, its programs and values and the vital role that it plays in the lives of hundreds of students and their families.

Together, with God as our provider, we can complete this task. LET'S GO!

HELP US FUND A NEW CLASSROOM BUILDING!

Your generous donation in any amount is needed to provide more students the opportunity of a Christian education free from secular influences.

“As grandparents with four students attending Harford Christian School, we know firsthand of the good work they are doing to impart the same standards and values we share as a family. Harford Christian graduates are a value to our community and we need more of them, that’s why we are supporting Vision 21.”
